Subject: Inserts to Draft-Draft Phase I RFI/RI Work Plan, Operable Unit 8 - 700 Area
DOE Rocky Flats Plant Site (ASI Project No. 208.14)

Dear Mr. Peterman;

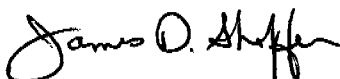

In accordance with my letter of transmittal dated April 20, herewith find twelve copies of text sections omitted with the subject Work Plan submitted to EG&G on that date.

The following text sections are included with this letter:

- Revised - Cover page and TABLE OF CONTENTS (pgs. i-vii),
- Replacement - Section 2.0 (All) OPERABLE UNIT 8 SITE CHARACTERIZATION,
- New - Section 7.2 RATIONALE FOR SPECIFYING AND COLLECTING ADDITIONAL AIR QUALITY DATA,
- New - Section 8.0 TASKS AND SCHEDULING,
- New - Section 13.0 HEALTH AND SAFETY PLAN.

Please distribute the above materials to each of the appropriate recipients and/or reviewers of the Draft-Draft iteration. If you have any questions please do not hesitate to contact me in ASI's Lakewood, Colorado offices at (303) 980-0036.

Sincerely,

James D. Shaffer
Project Task Manager
